SKILLS

- VS Code
- Git & GitHub
- Linux
- Microsoft Excel
- Blender
- MATLAB

SOFT SKILLS

- Curiosity
- Communication
- Collaboration
- Autonomy
- Attention to detail
- Adaptability
- Calm under pressure

LANGUAGE

- French: Native
- English: B1+
- Spanish: Basic
- Japanese: Beginner

PROFESIONAL EXPERIENCES

Customer Contract Management Technician – Suez France

July 2024 – September 2024, Istres, France

- Configured customer contracts in internal software systems (Odyssee, Pilotage, Now).
- Performed tariff verification and monitored the TPMC database.
- Managed specific billing operations, testing, and handled a 120m³ project.
- Updated coefficients, tariff sheets, and ensured database consistency.

EDUCATION

INP-ENSEEIH

Engineering Cycle - Digital Sciences

Toulouse, France

2025-Present

Preparatory Classes

MP2I - MPI*

Marseille, France

2023-2025

Jean Cocteau High School

High school diploma - Mathematics + Computer Science

Graduated with Highest Honors.

Miramas, France

2020-2023
